

Anim::Animation::nextFrame

```
graph LR; A[Anim::Animation::nextFrame] --> B[Anim::Animation::currentFrame];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'Anim::Animation::nextFrame'. The right box is gray with a black border and contains the text 'Anim::Animation::currentFrame' on two lines. A blue arrow points from the right side of the left box to the left side of the right box.
