

ParticleSystem::paint

```
graph LR; A[ParticleSystem::paint] --> B[pro2::paint_sprite_center]
```

A diagram showing a call from ParticleSystem::paint to pro2::paint_sprite_center. The first box, containing 'ParticleSystem::paint', is shaded gray and has a black border. A blue arrow points from its right side to the second box, which contains 'pro2::paint_sprite_center' and has a white background and a black border.
